

## Past Tenants

### An Introduction

In this section are people who at one time or another have had premises in the Centre. For those of you who have been around New Ash Green for some time we hope they will bring back fond memories.

Past Tenants have been in contact with us from around the globe and we thank them for their contributions and photos. If you, or anyone you know, has been a trader in New Ash Green Village Centre and would like to contribute to this section please email us at [contact@fonagvc.co.uk](mailto:contact@fonagvc.co.uk).

The following is a list of just some of the traders who as a focus have helped build the community of New Ash Green.

We would very much like to hear from them and people who worked for them again. If anyone knows where they are and is able to introduce us this would greatly assist in enlarging this section of the web site and contribute to our history of the Centre.
