

## Shop Profiles

### An Introduction

At the heart of the village centre are a wide and varied choice of shops and eateries. We thought it would be good to introduce you to the people behind the shop fronts who are fundamental to the community of New Ash Green and work so hard.

More profiles will be added over time and if we have not yet come to you and you would like your profile included, please email us at [contact@fonagvc.co.uk](mailto:contact@fonagvc.co.uk).
