Pets Pantry carries a good range of products that your pet be it dog, cat, rabbit, fish or budgie etc might need including pet foods, pet beds, pet toys, pet homes, etc.

Trevor would like to get to know his customers and their pets so that he can adapt the range of products he stocks to suit customers and their pets specific needs. He hopes customers will bring their pets along to the shop so he can meet them.

Trevor will continue to stock a range of hardware products including buckets, mops, cleaning materials, pots and pans, curtain hooks, ironing boards, kettles, toasters, desk fans, bins and boxes, screw drivers and spanners, nails and bolts and padlocks, paintbrushes, rollers and varnish, masking tape, sealants and sugar soap, firelighters, fabric dyes, plungers and poop scoops, methylated spirits and L plates etc, etc. as well as switches and light fittings and an extensive range of light bulbs.

He has cake decorating items and a selection of large baking tins for special occasion cakes, which can be hired. Outside the shop there are trays of colourful bedding plants for sale and inside are gardening items such as grass seed, weed killer, watering cans, plant foods, garden forks and spades, trowels and pruners. Trevor intends to extend the hardware side of the business.

Trevor's father can be seen in the above picture helping his son setting out his stock.

Pets Pantry is open Monday, Tuesday, Thursday, Friday and Saturday from 9.00am to 5.00pm and Wednesday 9.00am to 1.00pm.
