### The Village Pharmacy

New Ash Green is very fortunate in having a dispensing chemist within its shopping centre, and being only a short walk from the doctors' surgery means that your prescription can be ready soon after you receive it. The Pharmacy will hold repeat prescriptions and on request will take them to the doctors, collect them and dispense what is required for collection within 4 days. This service is invaluable for those with mobility problems or people working outside the village whose time is limited.

The pharmacy stocks the full range of over-the-counter medicines and the pharmacist David is always willing to advise on what to buy. There is now a small consulting room within the shop where customers can discuss problems with the pharmacist in private.

The other members of staff - Miniam, Helen, Marilyn, Denise & Sue - are kind and helpful and are always willing to consult the pharmacist to ensure appropriate products are purchased.

The shop also supplies baby products, nappies, wipes, creams and prepared foods, and the space in the shop is large enough to accommodate your pushchair! Everyday toiletries are available as well as perfumes and gift packs.

The Pharmacy has always dealt with photographic processing and now there is a machine available to print digital photographs, which customers operate themselves.

Shop opening times are **9:00 to 6:00 Monday to Friday** and **9:00 to 5:00 on Saturday**.
